Great Britain's exports of iron and steel amounted to

tons in 1890. They had fallen to

2,740,217 tons in 1892. British Free-trade ha

failed to capture the "markets of the -New York Press.

Mr. Cleveland does not appear to be access as a political joiner.

The Fianigans of the country are beginning to start for Washington.

Some of the gentlemen who were bawling "out they go, in we go," last fall are not as vocif rons as they were

The cause of the Sioux outbreak at Pine Ridge Agency is accounted for. It occurred at a place called No Water.

The Atlanta Constitution grows un-easy over the prospects for "Tariff re-form," and declares: "We confess that we do not understand the meaning of the symptoms of dodging and delay that have been manifested." That's because you don't understand the character of the Democratic party.

Canadian Liberals assert that they are not annexationists, because they are confident that the new Democratic Gov-ernment will enter into liberal reci-procity arrangements with Canada. That, of course, will remove the only inducement they have to advocate political union with the United States.

The war against the hoopskirt will now be flercer than ever. The Princess of Wales has been replenishing her wardrobe preparatory to a Mediterranean crulse. Among the samples sent her by her tailors from which to make selections was a crinoine skirt of ample propor-tions and so stiffened with horse hair iining as to preserve its fullness. The Princess instantly rebelled against the garment and ordered it returned. John Strange Winter is evidently a power be-

John Russell Young says: "In ten years Judge Gresham, like the ocean, has touched and washed every political He received favors from Grant. He was in the Arthur Cabinet. Conk-ling named him as a first choice for the Presidential nomination of 1888. Robert Ingersoli urged the nomination and was supported by Mr. Medili of The Chiago Tribune, the special representa-tive of Blaine, and Mr. Elkins of the great traction syndicate, the associate of Senator Quay. It was with difficulty that Judge Gresham escaped the nomi-nation of the Populist Convention, and now he is named as a Democratic Secre-tary of State. I know of no public ca-reer which in five years has so thor-oughly been in tonch with every political shore."

JUDGE WILLIAM LINDSAY is now United States Senator.

IRONTON Knights Templar held their named banquet last night.

To Quell a Riot Between the Republicans and Populists.

Rapublicans Breek in the Doors of the ouse Hahind Which, this Populists Are Barricaded—Topoka on this Verge of a Bloody Battle.

TOPERA, Kan., Feb. 10.—A riot is imminent between the republicans and populists in the hall of representations. The long expected crisis has arrived and there now setum no way to prevent adangerons clash between the two parties.

there now seems no way to prevent a diagreeous clash between the two parties. When the republicans want to enter the hall of representatives at 10 o'clock Wednesday morning they found the doors had been barred. They were barred by the populista. The republican leaders soon determined to force an entrance, and sledge hammers were secured for this purpose. They were used to such effect inpon the doors of a side entrance leading to that and the members of the republican house filed quickly through and entered the hall. Had the populist house been in session conflict would surely have resulted, but forhunately the populist house, Theeday, adjourned until: 1 o'clock Wednesday, and consequently was not in session at the time. The service of the republican house from the floor. The soldiers started on their mission.

m the floor. The soldiers started on ir mission. It is mission to the control of a action of the governor, held a hur-de conference to determine upon what urse of action to pursue. No definite an was decided upon, but individual publicans are trying as this is being the publicans are trying as this is being publicans are trying as this is being the publicans are trying to the control of cjecting the republicans from the cjecting the republicans from the

hall.

Mrs. Charles Woods were married in
1891. They were divorced Tready. She
is twenty-one, while Charles has seen
sixty years. The bride testified that
the alliance was not a love match, and
ing that he had paid a lady friend fifty
cents to secure the bride's consent to
wed and to arrange the happy event.

Peer Whart Outlook in Illinois.

Poor What Outlook in Hilbots.
OAKLAND, Ill., Feb. 16.—Farmers state that the late aleet has so is gived wheat that there will hardly be half a crop in all Eastern Illinois. Many of them say the crop was entirely ruined and not a bushel of wheat will be caused in some sections this year.

THE WILLARD POUNTAIN

There is Common Because Home Rule
Talent Was Net Employed.
CHICAGO, Feb. 18.—The Willard from
ists, which is to be a gfft to the city or
Chicago from temperance children ail
over the tworld, is to come from the
studio of a giventy London strite, become
Wade, and concerning this there has
stond deal of attempt comment, among wade, and concerning this there has good deal of strong comment among people of the strong comment among the strong comment among of whom take the ground that there are plenty of taineted women sculptors in this country who might have been selected without hardra to go abroad, especially as the movement was originated by temperance women.

as the movement was originated by temperanes women.
It is said that Wade is a protego of Lady Heory Somerest, and so her diplomatic finger is seen in the awarding of the commission. Wade has recently finished a life size statue of Sir John McDonald for the Canadian government, and also a bust of the duke of Chrence for the prince of Wales.

FUTURE CONTRACTS.

FUTURE CONTRACTS.

Noes Must be Let Yer Armor Plate Except Under Competitive Bide.

Washingtons, Feb. 16.—The house does not intend to have another such performance as that of Secretary Tracy than £4,00,00 worth of armor to Carnegis, Phipps & Co. without competition at prices made four years earlier, when it was not known how much, it would cost to make armor in this country, and the contractors had to make their figures high consideration of the contractors of the

armor plates are to be awarded except under competitive bids.

Resbeing it is on Geveland.

New Youx, Feb. 10.—The Herald's Washington correspondent anys it is reported on good authority that Senstor IIII, in order to insuit and annoy Mr. Gleveland because of his selection of petition for the appointment of Senstor-Frank Hiscock (republican, of New Tork) to a place in the cabinet. The petition is anali to be addressed to 'His excellency, Grover Cleveland, preadent-elect.'

Protest Against Reit.

excellency, Grover Cleveland, president-elect."

Protest Against Religions Legislation. Wissursorow, Peb. 16.—The lasgrest petition ever any to congress was prelief to the protest against the protest against a signatures of 50,228 adult citizens of the state of 10028 and the test of 10028 and the test of 10028, who protest against religious legislation and favor the repeal of the law closing the World's Columbian exposition on Sunday.

Washing the World's Columbian exposition of the surgeon-general of the marine hospital service, to recommend to Secretary Foster that a board of sanitary experts, prosited over by Dr. Hamilton, be appointed to revise the regulations.

the 'couste, in Executive Seasons, The client to Saise the Message, Public at Present—The Tracy is wired from the Country of t

tion to the lieston."

Forder NIH Expitation.

Pitranuani, Fa., Feb. 16.—Part of the powder mill at Painter run expiced Wednesday evening. Two men were itilled and the building wreeked. The pressman was screwing down a hydraulic press under which were 200 pounds of biasting powder. He used a monkey wrench to tighten up the screws. The wrench allipsed, the fried the powder. The 190 pounds of biastic explosive went off with a roar that could be heard all through the valley and surrounding country.

Marshal heat ya Desperado.

valley and surrounding country.
Narsha libat by a besperado.
ASHEVILLE, N. C., Feb. 16.—C. B.
Brackus, a deputy United States marshal was mortally wounded Wednesday while trying to serve a warrant on John Liewellyn for violating the internal revenue laws. Liewellyn was accompanied by his father and another mas. Brackus was shot three times. Before he fell he fired on his assaliants and wounded all threes. Bracus were a good reputstion, while the Liewellyns are desperados.

are desperados.

Dakota Divorce Limit Extended,
Frisunc S. D. Feb 16.—The committee of the whole in the senate recommended that the bill extending the
period necessary for a divorce from
there to six months, which has already
passed the house, be passed by the sentac. The report was adopted; with an
amendment providing that when perconal service confil not be made the
plaintiff must reside a year in the state
in order to obtain a divorce.

Lindow, Nob. Feb 16.—The is not
Discrault, one of the inmates who es-

m order to obtain a divorce.

Listonian 2 Neb., Feb. 16.—"19 is now that the people of freindan want," said Join Pittgerald, expression of the lasted of Mr. Glastonice bill offering the relief the frish nation had sought for so many years. "Irishme, in my opinion, are not satisfied with the Ulin."

No ways had.

NEWSHAPER MEN

Testify had the Notes in the State of the Prins strength of the State of the State

court.
Robert Porter, a reporter, continued his evidence. He met CDonnell twice during the day in the vicinity of the riot. Witness saw the battle as a newspaper correspondent, sent to act in that capacity.

High Water at Krassville.

EVANSVILLE, Ind., Feb. 16.
Ohio river at this point is rising ra
and there are aircady thousans acres of bottom lands in the bayout lands above and in the bends belor city under water, but the farmers precaution to remove their stochigh ground in time. There ere, ever, immense quantities of corn lumber, ties and staves which ardanger should the river rise a higher.

higher.

Crounor Hard to Pheary.
